

PSZ services to SPACEUTM students

Off-campus access to library databases and online resources is now available for SPACE and SPS students. PSZ online databases are available for full-text access and downloading from outside of campus via the following link:

<https://vpn.utm.my/ad/>

OR contact khairulnizam@spaceutm.edu.my for more details. Please provide the Administrator with the following information:

Name: -----

Course / Faculty : -----

IC or Matric Card No : -----

If you have any questions regarding the use of VPN or how to use the databases, please contact our librarian in-charge [Rizal bin Man](#) or [Badariah Borham](#).

For more information, please visit <http://web.utm.my/psz/> . To scan for the titles of materials available in the PSZ, please access our catalogue (OPAC), [INFOLAN2](#) at <http://opac.psz.utm.my:8000/>

To search for the wide range of electronic books and journals, you can use the VPN facility to search for our subscribed databases from outside of campus.

Our services also include:

- borrowing of books from our SPACE Learning Centre at specific locations in Malaysia. Please check details from the list of SPACE Learning CENTRE. Also included is the list of materials available at each centre.
- borrowing of books from PSZ at UTM Skudai or at city campus Kuala Lumpur.
- training on how to search for information from our online databases (which include books and other materials), done as students enroll with SPACE UTM at PSZ UTM Skudai or city campus, Kuala Lumpur. Besides, our representatives will also visit all SPACE LEARNING CENTRES to give more training and guidance.

Brochures on how to use the library are available at various SPACE LEARNING CENTRES throughout Malaysia.

We welcome suggestions for titles of books related to courses offered at SPACE LEARNING CENTRES.

Thesis and other in-house publications by UTM students and staff can be accessed via our Institutional Repository (IR).

UTM examination papers can be accessed via the [INFOLAN2](#) (<http://opac.psz.utm.my:8000/>) by clicking on the UTM Examination Papers from the main menu. The full-text version of the examination paper can be accessed directly. Instructions for searching are available from the PSZ portal.

If you have any enquiries, please consult our [reference librarians](#). We are always ready to facilitate your enquires at your convenience.

Enquires should be forwarded to our [Librarian in-charge](#)
